

SHADOW FIGHT 3

The World of Shadows is standing at crossroads. Three powerful factions – Legion, Dynasty and Heralds are on the edge of a great war for the right to control the shadow resources and the mysterious shadow sphere. Each side follows its own interests, plotting numerous schemes and provoking the opponent. But no one is ready to make a preemptive strike yet. Very soon an unnamed hero is going to come into this world, shattering the balance at last. His past is surrounded with mystery and his future is unwritten. Which side will he choose? It depends on you!

Shadow Fight 3 invites you to go on a journey into the world of Shadows, into the times of its biggest turmoil. Become the greatest warrior to ever walk these lands and discover their darkest secrets! The RPG/Fighting game offers the player three unique fighting schools: you can experiment, mix and match your fighting equipment, learn new tactics and abilities, and explore the huge world full of adventure and unforgettable stories!

Realistic animation. *Shadow Fight 3 takes the genre of fighting games to a new level. Modern 3D graphics, smooth animation and realistic physics – all create a real and colourful gaming world.*

You are the hero of your adventure. *Easy to master, but detailed character editor will help the player create a character which will be his mirror image in the virtual world. He will have access not only to the choice of sex, but also appearance and skin colour. Throughout the game the character acquires new levels and skills, and develops in the direction chosen by the player.*

Individual fighting style. *Shadow Fight 3 offers a choice of 3 unique fighting styles, each offering its own collection of fighting techniques, weapons and equipment. There are countless combinations!*

Personal armoury collection. *There are over 200 kinds of weapon and equipment available, as well as limitless combinations.*

Thrilling plot. *The story of Shadow Fight 3 will be told from the side of each faction. The player can learn about each side of the conflict and find out their dark secrets.*

Side missions. *Apart from the main plot, the player will also go through side quests, which complete the story of the game and tell a little more about this world.*
